"Life is the series of experiences, of body and mind, which make up the history of a person from birth to death."

The *Life* of a Gavit student was very busy and exciting. It started off as usual, meeting and making new friends and becoming closer with old friends. Although the *Life* of a Gavit student included taking tests and making reports, he still found time to have some fun.

The Gavit student attended many activities during the school year. One activity which has become a tradition is the Senior English Tea.

Although everyone thought that having fun was the most important thing in *Life*, they still left time in their schedules to study. There was still the final goal to meet, the receiving of one's diploma.

# MILES AND

# MILES

The years that a student spends in high school could be measured in miles. What does a student think of when he is asked about the milestones he has passed in his high school career? He may think of the lonely hallways that extend in front of him as he arrives tardy to class. He may think of the vast distance that surrounds this planet of ours or the many miles of pavement he has covered cruising up and down the boulevard on Friday nights. He may think of the many books he has paged through for that

certain report.

He may think of the countless times he has gazed into the miles of sky in search of a goal for his future in this country. He may think of the endless miles of stairs he has climbed to reach his classroom. He may think of the plans he has made to travel in different directions after he graduates from high school. But most of all, he may wish he were miles and miles away from home, yet always finding some way of returning.

Smile: "A change of facial expression involving a brightening of the eyes and an upward curving of the corners of the mouth. It may express amusement, pleasure, tender affection, approval, or any of various other emotions."

1. Students share their ideas about ordering t-shirts. 2. Moments of togetherness are enjoyed by those who attended Winter Formal. 3. Phil Kucer is caught in the act of foolishness. 4. Five people who were lucky to attend the Rolling Stones concert show off their shirts. 5. Gavit students after a hard day of school work. 6. Ted Berdine and John Lynch take a break during the blood drive.

**GOING DOWN**

THE ROAD

Success means "a favorable course or termination of anything attempted, to achieve or to satisfy." But to Gavit students it has meant different things at different times.

A student's four years of high school were filled with many obstacles which had to be passed. During these four years students encountered many new experiences, and they learned that to succeed in life, one must do well. This was always stressed by their teachers and parents. But as these years went by, these students learned that success not only meant doing well, but also knowing that you've done your best.

Here at Gavit students expressed their different

meanings. Success meant finishing a race or beating the other team. It meant receiving the Spirit Award for the Seniors or doing well on a test.

Some students found success in well-done plays or helping at very successful blood drives. The Senior English classes succeeded in accomplishing a very traditional tea which was enjoyed by all. The foods classes also prepared an enjoyable Thanksgiving dinner for all its invited guests.

But the one day all Seniors shared in feeling proud was Graduation Day. This day was filled with many different emotions, but the one that stood out was knowing that one had succeeded and done his best. This is the true meaning of success.

# TO SUCCESS

October 4, 1981 marked the 31st annual football homecoming at Gavitt. Each class spent weeks in preparation and participated in the spirit week. At the pep assembly the varsity coach announced the 1981 Gavitt Gladia for football team. The classes put on their skirts, cheered and screamed, hoping that their class would win the Spirit Award. The cheerleaders announced Mr. Football as George Blummer, and Greg Sudicky was awarded the Sexiest Legs award. Later floats came to the school parking lot for the game. The fans filled the stands as 7:30 rolled around. At halftime the 1981 home-

coming court was called onto the field. The court consisted of Dawn Boring, Danielle MacDonald, Leslie Sheetz, Tina Wright, Karen York and last year's queen, Rosemary Gracyzk. Then the special moment was about to happen as the speaker began to announce the Queen. This year's 1981-82 Homecoming Queen was Tina Wright. After all the girls and their escorts were seated, the winners for best float and most spirit were announced. The class of '84 won best float, and the Senior Class for the 2nd consecutive year won most spirit.

## In The Dream Of Tomorrow

The setting is here  
It's time to move on  
I feel the fire of youth  
And see what is here

Don't need to think of you  
But there is a part of life  
Distant is better than never  
It's your dream — make it reality

The art is in your hands  
That is your passion, yours to  
Because nobody else can  
You, the fire in your hands

And remember when you cry  
It's alright, they're your tears  
They'll look like all your love  
One of the best you can do

For the second year in a row, the class of 1982 won the spirit award. During Homecoming week the seniors expressed their spirit in many ways, but the most enjoyed was dressing up in clothes from the 1950's. Mrs. Penny's English classes held an English tea. They ate many different English pasteries and enjoyed the music of a bagpipe.

# SPORTS

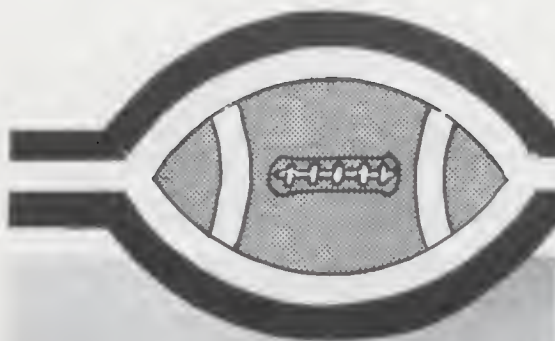

The 1981 football team had the support of both the parents and the students, but that was not enough for a victorious season. The season ended with a record of 1 win and 9 losses.

The only win was against the Morton Governors, our main rivals. The game ended with a 7 to 0 score. The other nine defeats were unjustly deserved. The team made mistakes in clutch moments in their games which contributed to their losses, but they always put forth a gallant gladiator effort and they were in every game. A perfect example was the gladiators' first game of the season against Giffith Panthers. They lost that game, but it was the toughest game the highly rated Panthers had all year. The winless good hard playing went on all season.

J. Nowacyk and T. Curtis were awarded all-conference. J. Lynch, J. Earl and L. Pawlowski received honorable mentions.

1. L. Pawlowski and J. Nowacyk make an airborne attempt to block a Morton punt. 2. Coach talks over the next play with R. Seljan. 3. The Gavit Gladiators. 4. G. Sudicky and L. Pawlowski make an interception. 5. R. Seljan surrounded by the opponent. 6. G. McGill shows determination with a last effort to reach for the first down. 7. K. Eagan running strong.

Although the B-Team played only 5 games this season, they had a record of 1 win and 4 losses. Coach Jamrose and the rest of his coaching staff thought that the team had a good year considering the amount of games they played.

The Freshmen Football Team had a very successful season. Their record was 7 wins and 1 loss, which was to Bishop Noll.

Both of the freshmen coaches thought that the freshmen had a tremendous season and hope they will be an added asset to next year's football team.

1. The B-Team gets ready to play football. 2. The B-Team huddles to discuss the next play. 3. Coach Vaught shouts instructions to the team. 4. P. Nowaczyk executes a perfect tackle. 5. T. The 1981 Cross Country season was a very successful one. With a record of 10-2 overall and a conference record of 8-0, the team was very impressive.

They were Sectional champs and qualified for Regionals and Semi-State for the second year in a row.

Dale Carter and Dan Higga-son both had the honor of hav- ing All-Conference, All-Sec- tional, And All-Regional titles. They also ran in the state meet and did extremely well.

The highlight of the season was when Dale Carter set a new school record of 15 min- utes and 42 seconds.

Volleyball is really starting to become one of the most popular sports around. Not only is it fun to participate in as a member of a team, but it's also exciting to watch.

This year the Lady Glads gave 100% of their effort and ended with a season record of 19 wins and 13 losses. Even though the Lady Glads were third in Conference, they came in first in the Chesterton Tournament.

While losing to Morton in the Sectional Semi-Finals, the team never gave up hope and put up quite a battle. Moving up from J.V. level for Sectional play were sophomores Nicole Sudicky and Momi Ford. Co-captain Connie Pazdur made All-Conference first team.

The Jr. Varsity ended its season with 7 wins and 20 losses. Although not doing as well as they hoped, the young team looks forward to next year's season with much enthusiasm and anticipation. The Jr. Varsity was coached by Sharon Meier.

Tennis is a game of skill and endurance. Many long hours are put into becoming a good player. Gavit had players with those qualities.

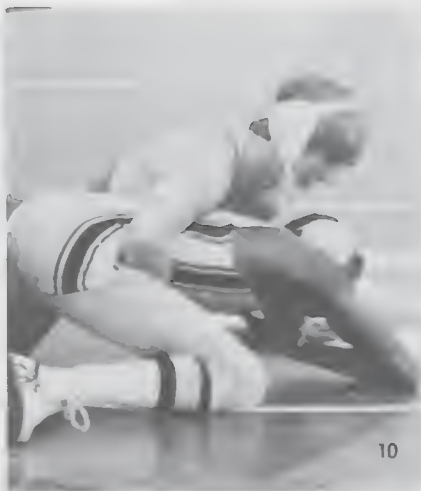

Even though Gavit had a small seven-man team this year, the 1981-1982 boys' tennis team had a learning season with a one win-ten loss record. This year Gavit had a tough conference competition. The team as a whole placed fifth in Conference play.

Coach Swanson is looking forward to a much improved season next year. His returning lettermen will supply the team with the experience needed for next year's season.

1. A. Adams shows his talent with this wonderful backhand. 2. TEAM: 1st row. M. Hochman, T. Emro, K. Salmon. 2nd row. S. Bearby, A. Adams, T. Solan, Coach John Swanson. 3. M. In the Conference tournament Gavit placed third with the help of Joe DeVore and Gary McGill, who placed first and Sean Lamberg, Mike Holm, Mike Carroll, Tom Seljan and Isaac Carter, who placed second. In the Sectional tournament Gavit had five champs: Jim Dunlap, Sean Lamberg, Isaac Carter, Tom Seljan and Gary McGill. The 1981-1982 Gavit Boys Varsity Basketball team started the season off well by defeating Hanover Central 65-45. The rest of the season was one of tough competition.

The seniors were B. Rosko, J. Earl, D. Tobin, K. Beal, G. Sudicky, R. Davis, and L. Miklusak. They were relied on during the season and Sectional play. Gavit finished their season off with a 4-17 record and 1-7 in Conference play.

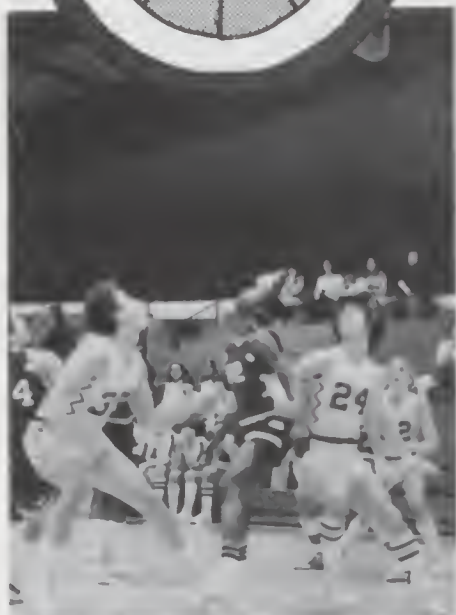

During Christmas vacation Gavit participated in a Holiday tournament with Morton, Hammond Tech and Hammond High. Gavit placed third in this tournament.

Good control of the boards combined with well divided scoring between team members kept the games very exciting. Getting ready for sectionals, Gavit gave 100% in practice and during their games.

Gavit won the Hammond Sectional Sportsmanship Trophy. Our fans, players and coaches throughout the season have backed the team fully.

This year's Junior Varsity Boys Basketball Team ended up with a season record of 5 wins and 14 losses. Although they had a tough season, the players received experience for next year's varsity level. All the players were confident and started out the season by winning their first two games. Two juniors, Chris Rackham and Kevin Sadler, were moved up for Sectional play.

The Freshman Boys Basketball Team also had a tough time, ending the season with a record of 6 wins and 9 losses. Much talent will be seen next year from this young team. This year the freshman team was coached by Ron Ostojic and Ed Smaron.

The Lady Glads started out the 1981-82 season on a winning note by defeating Griffith by a score of 42-29. But the rest of it didn't go as well as they had hoped. The girls ended their season with a record of 5 wins and 14 losses. Even though the record doesn't show it, they did improve somewhat from last year. The girls played every game with determination, and they always gave 100%. Many of the games were lost by only a few points due to unfortunate mistakes. Another reason stated Coach Margaret Kelly was that, "Our inexperience hurt us in the close games." The girls' shooting percentage was low, and that was also a big factor. Coach Kelly said, "We need to improve on our shooting percentage in the future."

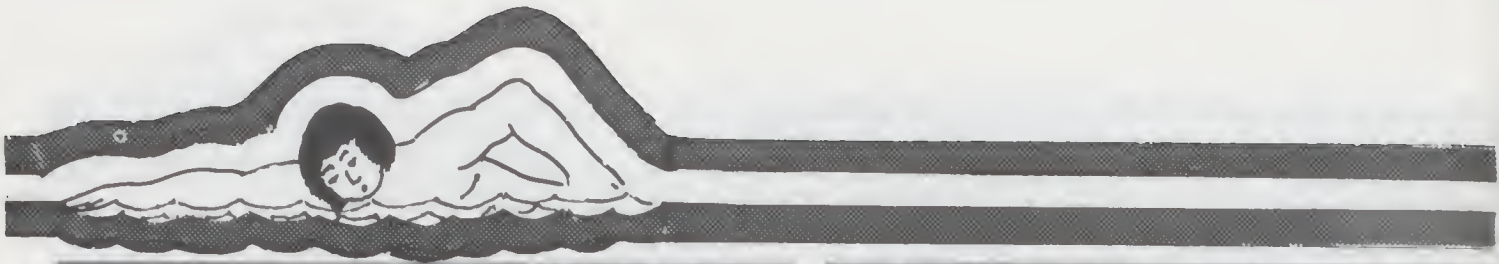

Receiving all-Conference Honorable Mentions this year were Judy Hollandsworth and LeeAnn DeYoung.

The Junior Varsity did exceptionally well this year. They had an outstanding record of 18 wins and 2 losses. The team won the Junior Varsity tournament in December. Aleen Crouse, Janice Harwell and Momi Ford all saw some Varsity action and also moved up for the sectional tournament. The team was coached by Sharon Meier.

The first was by Sophomore Dan Carter in the 200 Individual Medley with the time of 2:13.95. The second was by Senior Dave Hartigan in the 100 Breaststroke with the time of 1:08.50. The team placed 3rd in the conference and 9th in the sectional.

Both Coach Jamrose and Coach Oros were happy with the effort the team showed. Coach Jamrose said, "In general the coaches were happy with the dual meet record as we had a tougher schedule than last year."

The Gavit Gladiator Golf team had a very productive season this year. A pleased coach Wilson had 12 players on the roster this season. They ended up their season with a record of 14 and 0 in conference. Their overall record for the season was 14 and 4.

The team placed 1st in the conference, won the conference tournament, and placed 3rd in the Lake Hills invitational.

They had a lot of young talent this year with the exception of two Seniors, Paul Buda and Larry Gerdich. Paul was a conference medalist, tied for 2nd in the Lake Hills invitational and 3rd in Sectionals which qualified him for the Regional meet. Junior Kevin Sadler was another Gladiator standout; Kevin was also a medalist; he tied for 2nd and lost in sudden death.

They were Dale Carter in the mile and two mile, Todd Emro in the shotput, Dan Higgason in the mile and two mile, and John Malacina in the hurdles and high jump. Dale Carter and Dan Higgason were conference champions, and Coach Abrego is confident that they will qualify for state.

Coach Abrego said, "Despite two important losses that we should have won, I feel that through hard work we will have a successful season."

Even though this year's team was small, they had a very good showing. Our girls placed second in the indoor conference meet compared to other schools with almost 50 girls on the team. Their conference record of five wins and one loss is an example of their greatness.

Along with other talented girls, Judy Hollandsworth is expected to take a conference title this year. Miss Kelly comments that they have the quality, but not the quantity.

With only one graduating senior this year, everyone is looking forward to another season of great talent from them next year.

This year's tennis team worked very hard. They set many goals for themselves, and many of the girls reached them. Early in March the girls got out of bed to be at practice at 6:30 a.m. (for many of the girls this was a challenge). Finally the weather got better, and they started their practices at Wicker Park.

This season's record for wins and losses was much better than last year's. The season went quickly for the girls. Most weeks they had four or five matches. So what practice they had they got by concentrating during a match or on their own time.

Lisa Duffala placed first in the Conference Tournament. Number two singles, Jenny Kucharski, Number three singles, Leslie Lipman, Number one doubles, Connie Pazdur and Joann Sertich, and Number two doubles, Jenny Sudlak and Sue Rucinski all lost to the winners of the Tournament.

The 1981-82 Gavitt Soccer Team started out the season April 13 against Merrillville. Although losing 3-0, Gavitt put up quite a fight.

This year's large team under the coaching of Luis Zubillaga consisted of twenty-six hard working players. The returning lettermen from last year were seniors; T. Lindfors, L. Pawlowski, D. Taylor, G. Blummer, Juniors; J. Yokovich, U. Chong, G. Bell, F. Rodriguez, Sophomores; C. Welsh, and T. Taylor.

Although losing to tough teams as Andean and Morton in very close games, Gavitt came back and beat Bishop Noll, Gary Wirt and Munster. Many of the players which scored goals were G. Blummer, G. Bell, B. Mason, and U. Chong.

"Baseball — Apple Pie — and Gavit High." Baseball is an All-American game, and it is played with a great amount of pride and enthusiasm. All this excitement can be found on any day you would go to watch the Gavit baseball team play.

Coach Banas returned to coach the Varsity team, along with Coach Blastic. They helped supervise the practices, worked on special plays, and showed them the winning way. The returning players helped lead Gavit to many victories. The returning seniors were D. Tobin, R. Kapec, D. Godbolt, K. Beal, J. Cash, J. Hall, J. Earl, and R. Seljan. The seniors on the team showed their experience by their playing abilities.

Gavit had a fine pitching staff. Rob Shultman showed much improvement this year. Other outstanding pitchers were R. Kapec, J. Earl, K. Beal and D. Godbolt.

1. Slides in! He's safe at third. 2. O.K., guys, let's get it together. 3. Coach Banas gives a friendly smile. 4. K. Beal thinks he'd better stay on base. 5. D. Tobin tags him out. 6. R. Take a Good,  
Hard Look at  
Tomorrow,

**Today!**

Because tomorrow is just around the corner, and your future will depend a lot on the decisions you make today.

Your career goal is probably the single most important decision you'll make, so consider it carefully. Consider your interests and skills, and then consider working for a company that will allow you the opportunity to develop and use them effectively.

At Inland Steel we like to bring out the best in people. We do it through training programs, and by offering growth potential. We need solid employees on the production lines, in the craft apprenticeships, in our laboratories, and in the offices.

We've built a strong reputation as a first-rate steel-maker, and we built it with the help of our employees. But we don't rest on past laurels. Like you, we're looking at tomorrow.

The 1981-1982 Gavit Futura consists of 184 pages. These pages were created and made possible through the hard work of the 1981-1982 Futura staff as well as many other individuals who donated time and ideas. Many thanks are in order for:

MISS MARGARET FITZGERALD for her guidance and her unselfish donation of free time;

HARRY DUDZIK AND BODIE STUDIOS for taking many of our photographs as well as senior portraits;

PAT MALACINA who helped by taking and developing last minute photographs as well as the majority of the pictures in the advertising section;

MONICA KOVACH — advertising editor — who completed the entire advertising section and handled all of the necessary paperwork;

CAROL ZOLOWICZ — artwork editor — for designing and drawing the majority of the artwork employed in this book;

The editors of the individual sections who helped to bring it all together:

KIM MCCAWE and FRANK LUCAS — School Life;

PAT MALACINA — Organizations;

FAYE PICKETT — Seniors;

LISA PLOENSE — Academics/Faculty;

JOYCE RODDA and JOANN SERTICH — Sports;

MARK CARRIER — Underclass;

KATHY RAMOS — Index/Closing.

A special "Thanks" goes to ALL of the staff members as well as the teachers and students of Gavit.

The 1981-1982 Gavit Futura employs 48pt., 36pt., 10pt., and 8pt. of Lydian, Lydian Italic, and Lydian Bold type styles. This book is published by Josten's American Yearbook Company, and we would like to thank our Josten advisor Bob Henning for his aid and suggestions.

Best of luck to Kathy Ramos as next year's Futura editor-in-chief and to her staff.

Thank You,  
Jennifer Kucharski  
Editor-in Chief

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text outlines various methods for organizing and storing data, including digital databases and physical filing systems. It also mentions the need for regular audits and reviews to ensure the integrity of the information.

2. The second section focuses on the role of communication in achieving organizational goals. It highlights the importance of clear and concise communication channels, both internally and externally. The text suggests implementing regular meetings and reports to keep all stakeholders informed and engaged. It also discusses the benefits of open communication in fostering a collaborative work environment and resolving conflicts effectively.

3. The third part of the document addresses the challenges of managing resources efficiently. It provides strategies for identifying and prioritizing tasks, ensuring that resources are allocated where they are most needed. The text emphasizes the importance of time management and the use of productivity tools to streamline workflows. It also touches upon the need for continuous learning and skill development to stay competitive in a rapidly changing market.

4. The final section discusses the importance of maintaining a strong ethical foundation. It outlines the principles of integrity, honesty, and fairness that should guide all actions and decisions. The text stresses the need for a code of conduct that is clearly defined and consistently enforced. It also mentions the importance of reporting any unethical behavior and taking appropriate disciplinary actions to maintain the organization's reputation and trust.

The first part of the paper discusses the importance of the research and the objectives of the study. It then presents a literature review of the existing research on the topic. The methodology section describes the research design and the data collection process. The results section presents the findings of the study, and the conclusion section summarizes the main points and provides recommendations for future research.

The study was conducted in a laboratory setting, and the data were collected using a series of experiments. The results of the experiments were analyzed using statistical methods, and the findings were compared with the results of previous studies. The study found that the research objectives were achieved, and the results were consistent with the hypotheses.

The study has several limitations, and there are some areas for future research. The study was limited to a specific population, and the results may not be generalizable to other populations. The study also used a specific methodology, and the results may be different if a different methodology was used. Future research should investigate these issues and provide more comprehensive results.
